

Grand Champions Villas Lanai Ceiling Fan Specifications

Prior to installing a lanai-ceiling fan at Grand Champions Villas, the Owner of the condominium must fill out a Remodeling Category II form (approval by the office).

The ceiling fan and the installation must meet the following specifications:

BRANDS: Monte Carlo or Sundance

MODELS: All models must be:

- 1) Indoor/Outdoor use
- 2) 42" Blades
- 3) Maximum 6" downrods
- 4) Incandescent 100W medium base light kit

COLOR: Monte Carlo – Weatherford Powder Coated Old Chicago with distressed pine blades
Sundance – Oil Rubbed Bronze with dark oak blades

INSTALLATION:

- 1) Must be installed in existing light fixture
- 2) Rust free stainless steel hardware with all weather blades
- 3) UL & C-UL listed for wet locations
- 4) A licensed and qualified electrician must properly install the ceiling fan

LIABILITY: Any damage as a result of the installation of a lanai ceiling fan will be the responsibility of the Owner of the installed fan.
